All results are reported on an "as received" basis unless otherwise stated in the report. The results in this report relate only to the items tested. The client is solely responsible for the use and interpretation of the information in this report; Krueger Food Laboratories, Inc. provides no express or implied warranties as to such use or interpretation. Unless otherwise arranged by the client, samples will be retained for a minimum of 21 days from the issue date of the report, if stability permits. Samples which degrade rapidly, or are past their hold times may be retained for shorter periods or not at all.
