

Precious ULTRA-PREMIUM Extra Virgin Olive Oil

OUR CHEFS **AMBASSADORS**

Each of our ambassadors has been carefully selected for their commitment to responsibly sourcing their ingredients, including domestically crafted and sustainably grown extra virgin olive oil. We launched our chef ambassador program in June of 2014 in an effort to support America's leading chefs using Atlas extra virgin olive oil and to further education efforts at restaurants around the country. We encourage you to support their restaurants and cookbooks and taste their expertise.
