STATEMENTS:

Mycotoxins:

We commit ourselves that this product is in compliance with the regulation 1881/2006/EC and its series of modifications.

Heavy metals:

We commit ourselves that this product is in compliance with the regulation 1881/2006/EC and its series of modifications.

Irradiation:

We certify that this product has not undergone irradiation treatment.

GMO:

This product and its components do not result from GMO.

As a consequence, this product does not request labeling concerning GMO, in accordance with the European Regulations EC 1829/2003 and EC 1830/2003.

Allergens:

According to the EU Regulation (EU) No 1169/2011, no allergens are present in the product.

Nanomaterials:

According to the definition of 'nanomaterials' of the EU Regulation (EU) No 1169/2011, we hereby attest that no nanomaterials are used in our product.

This document is valid without signature.

The information contained herein is, to the best of our knowledge, correct. Part or total information is received from our supplier. The data outlined and the Statements made are intended only as a source of information. No warranties, expressed or implied, are made. The information contained herein should not be construed as permission for violation of patent rights.
